25X1

The following information on units and barracks in the city area of Viluyus ($54^{\circ}56^{\circ}$ L/25°15° L), Lithuanian \mathfrak{L}_{R} , was obtained between 1945 and 6 letruary 1949:

larracks on the northern bank of the Vilya Aires, opposite the castle:

motorcycle unit in the baracks in early 1949. AT runs and runs of calibers estimated at 76.2 and 12° nm respectively were seen in the barracks area. The barracks installations included numerous rarges. In labor details regularly detached to the barracks worked for the 16 th 162. At Div. (1) see reference No. 1 on Annex.

- 2. Larracks east of the confluence of the Vileyka Liver and the Vilya Liver:

 F. labor details detached to the barracks in February 1949 worked for the 4th L. Lifle Div. (2)

 Lee Leference Lo. 2 on Lanex.
- 5. Larracks at 16 Mostyushka Street, east of Larracks No. 2: Add officer school.

 The three-story barracks building, with an estimated quartering espacity of 600 mon, was temporarily occupied by troops in 1948.

 Lee Leference Lo. 7 on Annex.
- 4. Parracks on the eastern perimeter of the city, south of Kostyush-ka Street:

 Occupied by the 261st rifle hert.

 Throops with 60-in morters were seen leaving the barracks in early 1949. The regiment was identified by the designation of the labor detail working in the barracks.

 See deference Lo. 4 on honex.
- 5 Larracks on the northern bank of the Vilya Liver, located on Lazonovice Street (?), east of Larracks Lo. 1:

Occupied by the 132d ... Nonvo' left, which was used for the fuero duty. (3)

6. Illitary quarters in the suburb east of the castle:

Infantry school for officer scandidates. Lee Leference Lo. 6 on Annex.

Corment:

25X1

All units mentioned were previously reported to have the same numerical designations.

- (1) Presumably the 16th (Lithuanian) .htz .ifle Div.
- (2)A 4th AGE hifle Div is assumed to be stationed in the Transcaucasus D. It is believed that the 4th Ads hifle Div may be stationed in the Vilnyus area.
- (3) The two regiments are known from previous reports. The 261st wifle kept is believed to be an .No regiment, as it was employed in F. guard čuty, The two regiments may be subordinate to the Mg of a 14th .No biv in the Lilnyus area.
